Italy

ArtoniExpedit

Artoni
Expedit

Everything, everywhere in Italy.

ArtoniExpedit is an unique highly reliable and customizable freight forwarding services in Italy, able to meet all your transportation needs.

We handle, transport and promptly deliver any type of freight, regardless of its size and weight, to and from any locality in Italy.

We provide vehicles and equipment for deliveries to **any sort of consignee:** companies, chain stores, shopping centres, supermarkets, retailers, hotels, cafeterias, restaurants, ports, airports, government authorities, building sites, forwarding agents, private individuals, etc.

Italy | ARTONI «Guaranteed» option

On-time and guaranteed delivery, everywhere in Italy.

Guaranteed
Option

The new **“Guaranteed” option***, guarantees your delivery date within the ArtoniExedit** standard time-frame (delivery times are available on the Aortoni OnLine customer website).

In order to activate the **“Guarantee”**, just affix the new ARTONI GUARANTEED sticker; you can request the stickers to your sales account or contacting the nearest Artoni operative center.

With a small surcharge, we guarantee that your goods will be delivered within the standard times provided by the Artoni Expedit service* . If delivery is delayed, you are entitled to have the surcharge reimbursed.

Activation of the **“Guaranteed”** option involves a freight surcharge. Failure to deliver the freight within the standard time-frame established by the ArtoniExpedit service will entitle the customer to reimbursement of the surcharge only.

* “Guaranteed” option: for more details, limitations and exclusions refer to the general Artoni Trasporti contract.

** The standard delivery times of the ArtoniExpedit can be consulted in the Artoni On Line customer portal.

Italy

Additional Service

Italy | Additional Service

C.O.D. deliveries	Delivery of the shipment upon receipt of payment, by the consignee, of the sum indicated in the invoice (C.O.D. delivery), which will then be credited to the sender. According to art. 49 of of Italian Law Decree D.L. 231/2007, cash payments may not exceed 999.99 euro
Undelivered goods	The sender is informed that the goods could not be delivered and gives instructions as to how to proceed
Deliveries to site	Goods delivered and picked up to/from the storeys of buildings, basements or to/from any other place differing from on-board trucks
Hydraulic tail-lift	Goods delivered and picked up using vehicles with hydraulic tail lifts or any other means that facilitate handling work

Italy | Additional Service

Global Forwarding

Air and sea services

International transport: Global Forwarding

We propose **customized solutions** with the best cost/delivery time ratio to all **non-European countries**. We're extending our reach to help your business.

Multimodality

The Artoni Global Forwarding service provides international **links via sea and air** with our customary efficiency and quality..

Customized service

Customized to suit your specific business requirements, our Global Forwarding service will not only offer the most economical solution, but also **the simplest and most flexible**. Highly qualified consultants will help you through even the most complicated paperwork.

A large industrial warehouse with a white facade and a prominent red horizontal stripe. The word 'Artoni' is written in red on the stripe. Below the stripe, there are several loading docks with arched openings. In front of the docks, a row of white semi-trailers is parked. Some trailers have 'Artoni' and 'Exedit' logos. The sky is blue with some wispy clouds. The foreground is a wet, dark asphalt parking lot.

HSE

Quality

Safety

Environment

Quality | Safety | Enviroment

Quality

We have subjected our operation centres to UNI -EN ISO 9001:2008 certification so as to constantly improve the services we provide to customers and efficiently monitor our in-house processes.

Safety

Artoni implements an occupational health and safety management system (SGS) in accordance with international standard OHSAS 18001 (Occupational Health and Safety Assessment Series).

Enviroment

The environment is another of our main areas of focus. For us, guaranteeing sustainable strategies and actions is top priority.

Artoni Moving Green

It's easy to be greener

Artoni Moving Green

Alternative energy

Plan that would adapt our operation centres to **photovoltaic technology**, thereby achieving self-sufficiency energy-wise and **reducing CO2 emissions**.

Eco-friendly paper

Artoni has opted for **chlorine-free eco-friendly paper** certified by the Forest Stewardship Council (FSC).

Eco-friendly pallets

The goods are only handled on **eco-friendly EUR EPAL wooden pallets**.

Waste sorting

We have been **separating our discarded** wood, plastic, paper and cardboard for years as part of our waste sorting project.

Eco-friendly operational tools

Artoni proposes reports, information and documents all strictly in the soft copy format, all strictly **paper-free**.

Optimized vehicle routes

We helps our drivers each day to increase their efficiency by reducing driving time and, consequently, vehicles environmental impact.
