

Road and Rail – Italy / Europe

We offer a variety of services to take care of your goods in Italy and Europe. Thanks to our extensive network we can deliver any type of goods anywhere, without weight or size restrictions, with fixed delivery times.

Our road and rail network guarantees door-to-door service in Italy and Europe. Whatever your shipping requirements, our road and rail solutions offer the right answer: parcels, groupage, pallets, full truck load (FTL) and partial load (LTL) consignments, and personalised shipping solutions.

ARTONI TRASPORTI

The groupage service for shipping in Italy with no weight or size limitations and 24-72 hour delivery.

ARTONI EXPEDIT

Express service for envelopes and small packages with fast delivery.

ARTONI EUROPE

Daily departures from Italy to major destinations throughout Europe, with the same quality and efficiency that has always distinguished Artoni.
