

ARTONI TRASPORTI GETS EVEN SMARTER: ARTONIEXPEDIT AND THE NEW "GUARANTEED" DELIVERY SERVICE MAKE THEIR DEBUT

ArtoniExpedi: a comprehensive express service with pioneering solutions for Italian enterprises

REGGIO EMILIA 09.10.2014 - Forwarding freight for the past eighty years and dealing, day after day, with Italian companies in all sectors and of all sizes is an important competitive advantage that Artoni Trasporti of Reggio Emilia now puts to use by simplifying and combining its domestic services (Artoni, Expedi and Urgent) to create a single proposal: **ArtoniExpedi**, an express road transport service that provides companies with innovative options. Smarter solutions that help Italian enterprises to become more competitive, since they'll now be able to count on faster, leading-edge freight forwarding services. An innovation called **ArtoniExpedi**, a comprehensive express delivery service for all forwarding requirements, from envelopes to parcels and pallets, without limitations as to weight or volume.

ArtoniExpedi is now even more efficient. Besides ensuring fast deliveries, our customer companies can take advantage of an even more competitive service.

Another of the important innovations is a special transport option that focuses on on-time deliveries within the standard time-frame: just activate the **ArtoniExpedi "Guaranteed"** option.

Against payment of a small surcharge, the **"Guaranteed"** option allows you to be certain that your freight will be delivered within the **ArtoniExpedi** standard time-frame. In addition, you'll benefit from the **"money-back"** formula that entitles you to ask for the surcharge to be reimbursed if delivery is late.

Along with the Artoni Pharma controlled-temperature service, these important innovations are part of the industrial plan implemented by Artoni Trasporti which forecasts 3-4% average annual growth until 2018, until reaching a turnover of some 250 million euro and almost 5 points overall increase in margin.
